Subject: Request for update of Regional Memorandum CLMD-2023-246 for the continuation of Career Information and Computer Aptitude Test Activities

Sir,

Greetings of peace and goodwill!

We at Braintrust Computer Training System, would like to extend our heartfelt appreciation for your support in allowing us to conduct career information sessions and brief computer aptitude tests for Grades 4 to 12 learners across the region, as stipulated in the previous memorandum issued by your esteemed office.

However, due to the vast geographic number of schools under your jurisdiction, we were not able to complete the said activities within the initial timeline. In this regard, we respectfully request for an update or extension of the said memorandum, to allow us to continue and complete the scheduled activities in the remaining schools.

We remain committed to our shared goal of preparing learners for future career paths and equipping them with digital skills necessary in this evolving technological landscape.

We are hopeful for your kind consideration and favorable response to this request.

Thank you very much for your continued trust and support.

Respectfully yours,
