### LETTER OF REQUEST

At Manulife Philippines, our mission is to **"Make Every Day Better."** We are committed to being a leader in wealth management and financial protection. Founded in Canada and serving the Philippines since 1907, Manulife brings over **118 years of trusted excellence** to Filipino families and businesses.

As of 2025, we proudly hold the **#1 position in Market Capitalization on the Philippine Stock Exchange**—solidifying our financial strength and the trust placed in us nationwide.

We would like to conduct a free 30-minute "basic financial planning workshop" to all private/public school teachers throughout Region 11. This is accordance also to DepEd's initiative to promote financial literacy amongst teachers and students nationwide.

In connection thereof, we would like to ask a recommendation letter from your office that we can visit all private/public schools throughout Region 11 through their vacant time so that we can impart some of our basic knowledge in financial planning which we hope that they would re-echo to their students, as well.

Looking forward to the approval of the said request.

Very truly yours,

  
**JENIFER V. CARPIO**  
Financial Advisor
