Dear Superintendent Refamonte,

Thank you for reaching out and inviting us to be part of the Division Unified Advocacy Campaign, requesting a 45-minute presentation on R.A. 4136 for Senior High School students. However, this presentation was part of our **OPLAN-BALIK ESKWELA Program** and was conducted at the beginning of the school year.

Currently, we are now focusing on our **S.A.F.E. Program** ("Strengthening Advocacy for Future Educators & Drivers") a **2-day Free Theoretical Driving Course**. Through this program, we believe we can offer an even more comprehensive and impactful program that would greatly benefit both students and teachers. We also propose a **separate schedule** for this program. Some of the proposed dates in your current schedule coincide with prior commitments related to our other ongoing activities.

We also request that **your office will take charge of informing or disseminating the details to the participating schools**. We also encourage that your focal person or the designated school representative provide us with updates before and during the said program

This more extensive program goes beyond a single presentation by providing:

- **Free Theoretical Driving Certificates**
- **On-site Issuance of Student Permits**
- **Renewal of Driving Licenses**
- **Renewal of Motor Vehicle Registrations**

We are confident that our S.A.F.E. Program would be a highly valuable addition to your campaign. Please feel free to contact or email us at our contact details located above.

Thank you again for considering our proposal. We look forward to the possibility of collaborating on this important initiative.

Sincerely,

  
**MARIETTA F. PICCIO, CPA, DM**
