Dear Ma'am/Sir,

Greetings of Fun & Life!

For *34 years of service*, **JS Gaisano** has been sharing its blessings with the community where it belongs. **A Kit for a Cause** is an event the company has been doing since *2016*, which draws people who are giving their support and love. This year, we want to answer the need of children from different remote schools and places again.

In *June 2023*, the **Kit for a Cause Campaign Program** will rise again to help the chosen children by giving them our specific kit. It will educate the people, especially the youth, to give and share their blessings to help the children who need some supplies for school, hygiene essentials, and other things that we can provide.

In view hereof, we are looking forward to co-implement this project with you that can benefit the less fortunate students around *Davao de Oro*.

In addition, we would like to ask for your support to encourage our dear educators to join this campaign by purchasing the said items on our different JS Gaisano Store near them.

We look forward to teaming up with you on this project. Together, let us make a difference.

Attached here are the mechanics and other related documents for your perusal.

Thank You and God Bless .

Sincerely,

ANGELICA S. PAGAL
