Dear **Ms. Epe**,

Once more, it is June 2023, which means it is time to observe Philippine Environment Month. "No to Waste: Advancing Circular Economy to #beatplasticpollution" is the theme chosen by DENR for this year's celebration. Therma Marine, Inc. (TMI), a subsidiary of AboitizPower, intends to participate in this commemoration by holding an **environmental vlog competition**.

The environmental vlog competition aims to highlight the efforts made by individual students and their local community to combat plastic waste while highlighting the youthful generation's creativity, inventiveness, and environmental consciousness. The complete mechanics are attached for your review and reference.

With this, we are humbly asking your good office to partner again with AboitizPower by participating in the environmental vlog contest. **We are looking to invite at least three (3) groups from your school to participate in our event.**

We are also formally extending this invitation to you if we can visit your good office to discuss the said contest further. Please let us know when is the best time we can pay our courtesy.

For your confirmation and queries, you may get in touch with **Princess Lace Awa**, Reputation and Stakeholder Management Specialist at **0968-852-5779** or at **princess.awa@aboitiz.com**, or **Chrisyl Garcia**, SHE Supervisor at **0995-212-3894** or at **chrisyl.garcia@aboitiz.com**.

Sincerely yours,
