Greetings of Peace!

The Davao Regional Development Plan (DRDP), 2023-2028 serves as Davao Region's overall blueprint in development planning for the next six years. The Davao Region Development Research Agenda (DRDRA), 2023-2028 is an accompanying document of the DRDP, 2023-2028 which contains the priority research agenda aligned with the development outcomes detailed in the DRDP. The overall objective of the DRDRA, 2023-2028 is to create a conducive environment for Research & Development (R&D) towards inclusive economic and social transformation.

As Davao Region's highest policy-making body, the Regional Development Council (RDC) XI mandate is to set the direction of socioeconomic activities in the region and coordinate various institutions/development partners towards the realization of the DRDP, 2023-2028 outcomes and the DRDRA, 2023-2028 utilization. To this end, **the RDC XI shall conduct a DRDRA, 2023-2028 Dissemination Forum on 31 July 2023, online via Zoom, to orient Davao Region R&D, innovation, and technology development partners (e.g., HEIs, SUCs, NGAs/RLAs, various consortia, etc.) on the salient features of the DRDRA, 2023-2028** and fulfill its vision of promoting R&D and Innovation towards addressing gaps in socioeconomic development.

In view thereof, we are inviting a **maximum of 3 participants** from your Office to participate in the said Forum. We enjoin that the **participants be the head of the institution/organization as well as the officers-in-charge of your R&D offices and research/technology/innovation-related activities.**

Kindly register your participation **on or before 21 July 2023** via the link

<https://tinyurl.com/drdraregistration>. Attached herein is the indicative program of the said Forum, for your reference. The DRDP, 2023-2028 and the DRDRA, 2023-2028 are available through the NEDA XI and RDC XI official websites, via the link <http://rdc11.neda.gov.ph/development-plans/>.
