REGIONAL MEMORANDUM
ESSD-2023-086

To: Schools Division Superintendents
Marra B. Medrano – Dentist III, ESSD
Stephen Mark T. Castro – Nurse II, ESSD
Reissa T. Silda – Nutritionist Dietitian II, ESSD

Subject: PARTICIPATION TO THE TRAINING ON DISEASE
SURVEILLANCE AND SPECIMEN MANAGEMENT

Date: March 20, 2023

Attached is the letter dated **March 9, 2023**, from the Department of Health –
Davao Center for Health Development (DOH-DCHD) for your information and
appropriate action.

This is to address the request for capacity building among health workers in
all disease reporting units in Davao Region with regards to the Training on Basic
Epidemiology and Public Health Surveillance.

In this regard, DOH-DCHD would like to inform that the Department of Health
Academy is offering an electronic learning (e-learning) module for Basic
Epidemiology. This course is accredited by the Professional Regulation Commission
(PRC). The e-learning can be accessed on this link: learn.doh.gov.ph

The Basic Epidemiology e-learning modules are package of learning topics on
epidemiology and surveillance. It is an e-learning platform for frontline health
workers who are involved on disease surveillance and response. The aim of this e-
learning course is to provide a knowledge-based competencies in some field of
disciplines such as field epidemiology, public health surveillance, and effective
communication approaches that can be used by the health professionals in
detecting, analyzing, interpreting, and disseminating disease surveillance reports
and field investigation reports.

Further, **selected twenty-five (25) medical allied personnel (see Annex A)**
of this Region are requested to attend the **Training on Disease Surveillance and
Specimen Management on April 13-14, 2023**, in **Davao City** (final venue will be
announced later).

Dear Dir. Farnazo:

This is to address the request for capacity building among health workers in all disease reporting units in Davao Region with regard to the Training on Basic Epidemiology & Public Health Surveillance. We would like to inform you that the Department of Health Academy is offering an electronic learning (e-learning) module for Basic Epidemiology. Moreover, this course is accredited by the Professional Regulation Commission (PRC). The e-learning can be accessed on this link: learn.doh.gov.ph

The Basic Epidemiology e-Learning modules are package of learning topics on epidemiology and surveillance. It is an e-learning platform for frontline health workers who are involved on disease surveillance and response. The aim of this e-learning course is to provide a knowledge-based competencies in some field of disciplines such as field epidemiology, public health surveillance, and effective communication approaches that can be used by our health professionals in detecting, analyzing, interpreting, and disseminating disease surveillance reports and field investigation reports.

Anent to this, we would also like to invite twenty-five (25) medical allied personnel from your agency to attend the Training on Disease Surveillance and Specimen Management on April 13 to 14, 2023 in Davao City. The venue will be announced later.

Moreover, it is a prerequisite that the participants of the said training have completed the DOH Academy Online Training on Basic Epidemiology. Each participant shall be required to present the Certificate of Training Completion on Basic Epidemiology on April 13, 2023.

We are waiting for your favorable response regarding this matter.

Yours truly,

ANNABELLE P. YOMANG, MD, MCH, CESO III
Regional Director
