IMPLEMENTATION**

1. The Department of Education remains steadfast in its commitment to combat malnutrition among school children. In pursuit of this noble cause, the department is set to launch a comprehensive feeding program that will span 85 days, ensuring the well-being of our young learners. The feeding program will entail the distribution of Nutritious Food Products (NFP) to the identified beneficiaries in the schools.
2. We would like to inform all recipient schools that the distribution of Nutritious Food Products (NFP) will be rescheduled to October 2, 2023, instead of September 25, 2023, and will continue until February 23, 2024.
3. Additionally, Dr. Nikka Karla Alfaro will substitute Mr. Pepito III Villarreiz in Inspectorate Team 1 on October 2-3, 2023 due to conflict of schedule of the latter.
4. Other details of the said memorandum remain as is.
5. Immediate and wide dissemination of this memorandum is desired.
