Dear **Director Farnazo**:

This is to inform your good Office that the School Health Division (SHD) under the Bureau of Learner Support Services (BLSS) shall conduct a progress monitoring activity on the Oplan Kalusugan sa DepEd Flagship Programs in select School Division Offices on **September 25-29, 2023**.

The team shall visit the Regional Office and select SDOs to look into the implementation of Oplan Kalusugan sa DepEd programs. For the SBFP, it will be an inter-agency monitoring with partners such as NDA, PCC, DOST-FNRI using Focus Group Discussion with the SDO Technical Working Group together with the SGOD Chief, BAC members, Finance, and other health personnel. Select schools (one or two only) will be visited to validate observations and to interview school heads, school focal persons, parents, volunteer groups, beneficiaries, and other stakeholders in selected schools to know its issues and concerns and financial status. The SBFP team shall also do an ocular inspection of manufacturing plants of Nutritious Food Products and Pasteurized Milk either by NDA or PCC.

We would also like to inform you that we were asked to create a public relations campaign regarding SBFP to be featured in the DepEd Philippines Facebook page. In line with this, we will feature a school in one of the mentioned SDOs. The team shall conduct a video shoot and interviews with the school head, parent and beneficiary in the selected school.

On the other hand, the Health group will look into the implementation of the other health programs, specifically the medical and dental services to the learners and personnel, inspection of the interior and physical facilities within the clinic and document the items/supplies received related to the selected CES established clinics.

In this regard, may we request the SBFP focal persons/health personnel from the RO and SDOs to join the monitoring team and coordinate the activity so that immediate solutions to the concerns will be instituted. May we also request the RO or SDO Staff to arrange an exit conference per SDO or cluster of SDOs to discuss the findings of the monitoring visit.
