Dear Ma'am,

Greetings in the name of Jesus!

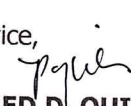

Through the highest standards of instruction, research, and extension, Brokenshire College is a learning institution dedicated to the pursuit and dissemination of knowledge. It promotes a way of living based on faith, education, and service that helps people grow spiritually, intellectually, and in terms of awareness and responsiveness to the needs and aspirations of the community. As responsible stewards of God's resources, it administers and develops all resources prudently to ensure the institution's long-term success and makes a positive contribution to the creation of a just, free, and Christian social order.

Anent to this, we would like to humbly **express our intent to campaign our scholarships and academic programs offered** to the schools in Davao City through its Career Guidance Programs or to the most convenient time that the school or your office can provide. Moreso, **we would like to humbly request a copy of the schedules of Career Guidance Activities as our reference.** You would be assured that our youth are prepared for the workforce, that you have a future labor force that fulfills your demands, and that you would have a stronger conduit between work and education by doing this.

Thank you for your unwavering support in our shared mission to empower the youth and foster a brighter future through education and career guidance. We are looking forward to hearing from you soon.

Thank you and God bless!

In faith and service,

PAUL REAN FRED D. QUIBO-QUIBO, LPT, MAEd
