Subject: Davao del Norte State College's *Edukaravan* 2023

Dear **Dr. Epe**:

Warm greetings!

The Davao del Norte State College (DNSC) is a state college that is mandated to provide quality higher education in Davao del Norte and beyond. DNSC visits Senior High Schools annually for its *Edukaravan* or promotional campaign of program offerings and other services on wheels.

In line with this, we humbly ask approval from your office to do room-to-room campaign to the schools under your division within the period of November 20 to December 15, 2023 and/or January 8 – 26, 2024 during school days depending on the availability and approval of school Head. The campaign team will deliver a short talk about the nature of the program they will possibly enroll in the College for the school year 2024-2025. We will also distribute campaign materials to the school administrators, career guidance officers or Senior High School Coordinators. Rest assured that our campaign team will do the campaign on the agreed schedule given by the School Head or School Principal with order and will observe minimum health protocols. We will make sure also that minimal contact will be properly observed and we will not stay in the campus longer after the campaign.

Our promotional materials contain the following information:

- a. List of Program Offerings
- b. List of Student Services
- c. List of Scholarship and Grants
- d. Date and Requirements for Admission and Enrollment

DNSC is looking forward to your favorable response on this matter. It is our pleasure to work collaboratively with you in providing quality education that all students deserve. If you have further queries or if you wish to respond virtually, these are our corresponding electronic addresses: admission@dnsc.edu.ph / oss@dnsc.edu.ph. You may also contact through contact number of the undersigned.

Thank you very much.

Very truly yours,
