knowledge in evaluating existing strategies, and plan meticulously to enhance the quality of education they provide to out-of-school youth learners.

Relative thereto, PLGU Davao de Oro in collaboration with the Association of Youth Development Officers (AYDO) through the Provincial Social Welfare and Development Office through the Youth Development Division will be having a **Capability Building and Year-End Evaluation cum Planning for 2024 Implementation of Unlad Kabataan Program (UKP) on December 4-5, 2023 in Mati City**. The activity aims to *empower our Community ALS teachers implementers in tailoring their capabilities to implement the ALS program in conflict-vulnerable areas (CVA)*. By carefully refining the UKP initiatives, we are enabling the communities to overcome the challenges posed by conflict, thereby, helping the youth in the CVA to create a resilient foundation to quality education.

In line with this, we would like to invite the ALS Division Education Program Supervisor Ms. Noemie P. Canales together with the abovementioned community ALS teachers of DepEd Davao de Oro to attend the Capability Building and Year-End Evaluation cum Planning for 2024 Implementation.

Their presence is highly appreciated. We hope to see them there!

Yours truly,
