**ANNEX A: DISTRIBUTION GUIDELINES**

The Colgate Palmolive Philippines, Inc. (CPPI) and the Department signed a Memorandum of Agreement last July, 2021 to provide kindergarten pupils with Colgate toothbrushes, toothpastes and oral health educational materials for a period of three (3) school years. This is in line with the Bright Smiles, Bright Futures Program (BSBF) that promotes oral health education among public school children.

Last School Year 2022, CPPI and the Bureau of Learners Support Services and Adopt-A-School Program provided 2,155,239 Colgate toothbrushes, toothpastes and some oral health educational posters to kindergarten school learners in 33,000 public schools.

For the BSBF program for School Year 2023-2024, CPPI has retained its allocation of an estimated 2,191,303 Million toothbrushes and toothpastes to kindergarten pupils in 35,752 public schools. This covers almost 99% of kindergarten pupils nationwide.

For SY 2023-2024, BSBF BOX includes the following: one (1) Colgate toothbrush, (1) toothpaste and (1) Oral Health and Hygiene guide for each kindergarten learner.

Distribution of Colgate toothbrushes and toothpastes supports the School Health Dental Care Program under D.O 33 s. 2019.
